Desperate Coughs

Dangerous coughs. Extremely perilous coughs. Coughs that rasp and tear the throat and lungs. Coughs that shake the whole body. You need a regular medicine, a doctor's medicine, for such a cough. Ask your doctor about Ayer's Cherry Pectoral.

Ayer's

Any good doctor will tell you that a medicine like Ayer's Cherry Pectoral cannot do its best work if the bowels are constipated. Ask your doctor if he knows anything better than Ayer's Pills for correcting this sluggishness of the liver.

GOOD DAY FOR WENTWORTH

First Team Tied the Osceolas, While Both Minor Teams Won.

Out of three football games Monday Wentworth won two and tied one. All the games were away from home.

The first team met the Osteopaths at Kirksville. The field was slow with heavy mud and prevented the cadets from making any of their spectacular plays. They had to resort to line bucking mostly and in doing this could make but little headway against the heavy bone doctors. Both teams were strong on defense and held whenever their goals were in danger.

Hillix and Owen did the stellar work for the cadets and Slaughter, Reid and Smith for the Osteopaths. Hillix was injured and the coach, Capt. Tillman, telephoned for a special rig to meet him at the Junction this morning.

The second team, which played at Carrollton, sprung a surprise by defeating the high school at that place 11 to 2. The scrubs had a very difficult time in beating the Carrollton team here earlier in the season and was thought to have slumped since then.

The third team at Higginsville defeated the high school 5 to 0 in two ten minute halves. This victory was expected.

The cadets feel joyful over the work of the teams yesterday, as a defeat at either Kirksville or Carrollton would have been no surprise.

W. D. Meng of Kansas City was here Sunday.

Miss Ella Nickell spent Monday in Kansas City.

Miss Hattie Gordon returned to Ft. Scott, Kansas, Monday after a short visit with her parents.

No Opium, no Chloroform, absolutely nothing harsh or unsafe. The tender leaves of a harmless, lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Remedy. Those leaves have the power to calm the most distressing cough and to soothe and heal the most sensitive bronchial membrane. Mothers should, for safety's sake alone, always demand Dr. Shoop's. It can with perfect freedom be given to even the youngest babies. Test it yourself and see!

Sold by all dealers.

Mrs. E. J. McGrew was in Kansas City Monday.

Miss Esther Foster spent Sunday in Kansas City.

Charles Wagoner of Odessa visited Prof. W. M. Alexander at Central college Saturday and Sunday.

TAKE IT IN TIME

Just as Scores of Lexington People Have.

Waiting doesn't pay.

If you neglect the aching back.

Urinary troubles, diabetes, surely follow.

Doan's Kidney Pills relieve backache.

Cure every kidney ill.

Many people in this locality recommend Doan's Kidney Pills.

Here's one case:

Mrs. Augusta Krause, 52 N. James St., Kansas City, Mo., says: "I suffered from kidney complaint for about five years. The chief symptom was a dull, bearing-down pain across the small of my back which increased in severity until I could hardly attend to my housework. I was also subject to dizzy spells during which I was obliged to grasp something to keep falling. I obtained only temporary relief from the several remedies I tried and was in despair when Doan's Kidney Pills were brought to my attention. I had my son procure a box for me, I used them as directed and received prompt and satisfactory relief. I continued taking the remedy until completely cured and am glad to say that during the past nine years, I have had practically no return of kidney trouble. I still occasionally take a few doses of Doan's Kidney Pills, finding them to be a splendid kidney tonic."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

HOWARD PAYNE WON

Central Was Beaten at Basket Ball Saturday, 19 to 14.

In an exciting game of basket ball, under girls' rules, Howard Payne college of Fayette defeated Central College for Women on the latter's court Saturday afternoon by a score of 19 to 14. The weather was ideal and a large and enthusiastic crowd attended. The colors of the two colleges were prominently displayed and the rooting was loud and lusty. The defeat of Central was an honorable one, as its players, though outclassed by girls of more experience, played the pluckiest sort of game. In the second half the two teams made an equal number of points. Miss Carter, Central's star guard, was unable to play her usual game on account of an injury and Miss Crosby did well and helped hold the score down.

Miss Fulkerson of the visitors was the sensation of the game. She was fast on her feet and accurate in basket throwing. It was her brilliant work that won the game for Howard Payne. Miss Davis, the other forward, was also good.

For Central Miss Dick at center did the best work, outplaying her opponent at nearly every period. Miss Steele, too, did some creditable playing.

The score at the end of the first half was 13 to 9 in favor of Howard Payne.

The line up:

CENTRAL HOWARD PAYNE
Steele F Fulkerson
McClure F Davis
Dick C McLean
Minx G McClintie
Carter-Crosby G McClintie
Referee, Anderson; Umpire, Miss Dunn; Scorekeepers, Misses Garver and Stapleton; Timekeeper, Mrs. Alexander. Time of halves, 15 minutes.

President Henry Stout of Howard Payne and Miss Ora Garver, the coach, accompanied the team. This morning the Howard Payne team went to Cameron to play Missouri Wesleyan.

Death of Arthur B. Crozier.

Arthur Bertram Crozier died in Kansas City Saturday morning at his home, 3006 Park avenue, of typhoid fever after a month's illness.

Mr. Crozier was reared in Fayetteville, Arkansas, and graduated from the Arkansas university.

In 1899 he came to Kansas City and entered the employ of the Schwarzschild & Sulzberger Packing Co. Later he went to the Cudahy company at Omaha. A few years ago he became an independent mechanical engineer and opened offices in the Commerce building at Kansas City. He was married to Miss Mackie Young of near Lexington and was well acquainted here. He leaves besides his widow two daughters, Roberta and Jane, aged five and two years respectively.

The body was brought to Lexington Tuesday morning on the river route train. Burial was in Machpelah.

High School Lost at Lathrop.

The football team of the Lexington high school went to Lathrop Saturday and was defeated by the high school of that place 12 to 0. The Lathrop boys used a forward pass formation which bewildered their visitors.

George Aull, the fast center of Lexington, was injured by a severe blow on the head, which rendered him unconscious for two hours. The injury is fortunately not dangerous, however and he is up today.

C. E. LANKFORD DEAD

Was One of the Early Natives of Lafayette County.

After a lingering and painful illness of eight weeks, Chatham E. Lankford died Sunday afternoon at 2:30. Nearly all of the long and useful life of Mr. Lankford was spent in this county and no citizen was more highly respected and esteemed.

He was born near Lexington in the immediate neighborhood of his life-long home, October 26, 1829, and was educated in one of the first schools of the country. At an early age he took up the work of assisting his father on the farm and worked industriously until he was twenty years of age.

In 1849 he took the gold fever and joined the throng going by wagon to the far west. He returned in 1857 and again took up the occupation of farmer. He engaged extensively in stock raising and became one of the most successful farmers of this section.

In 1877 he went to Miss Cecilia Smith, who lived at the family home. Mr. Lankford also leaves a sister, Mrs. Rufus Young and a half-brother, William H. Waddell of this city.

Mr. Lankford was a loyal member of the Baptist church; but his wife and children hold membership in Christian church.

He always took an active interest in public matters. He was an ardent Democrat and for years was a director of the school board. He served in the Confederate army during the Civil war.

Mr. Lankford was closely identified with the progress and prosperity of Lafayette county and will long be remembered as one of its most valuable citizens. His life was well spent and his death brings to a close a useful career.

The funeral was held from the home Tuesday afternoon at 1:30. R. B. Briney conducted the services and interment was in Machpelah.

A Betterment.

The Missouri Pacific trains on the Lexington branch are at last running generally on time. The old leaky engines have been renovated by new boilers, new whistles, some paint and higher numbers. They now pull up the hill west of the station with ease and seeming enjoyment.

Lexington is grateful for this recognition.

There was a slight fire in the mill of the Lexington Flouring Mills company about six o'clock Saturday evening, due probably to a dust explosion. A fire alarm was sent in and for a time there was considerable excitement. The fire department made a quick run and the flames were extinguished before any appreciable damage resulted. The department was called out again Sunday night; but the alarm was a false one.

If Sick

Don't risk even one single penny! And I will tell you why I say this. It is because every package of Dr. Shoop's medicine is absolutely free of cost. No one need risk even one single penny. Just think what this means to the suffering sick!

No risk, no expense, nothing whatever unless health first returns. For 30 full days, and without the risk of a single penny, you can use either of my two famous remedies—Dr. Shoop's Restorative or Dr. Shoop's Kidney Pills. These selected drugs are sent to you absolutely free of cost, with the sick—and the entire risk is mine alone.

But write me first for an order. I have an agent in almost every community—but all druggists are not authorized to grant the 30 day test.

So drop me a line, please—and thus save all disappointments and delays.

Besides, you are free to consult me by letter as you would your home physician. Do so freely and fully—if you desire. My advice and the book below are yours—and without cost. Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan.

Besides, the books will open up new and helpful ideas to you. They tell of my 30 years experience at the bedside in home care in hospitals. All phases of disease and relief are told of here. They tell of a "new" inside nerve no larger than a silken thread but gives to the heart its impulse. How the stomach and kidney each have their inside or power nerve. How these organs surely fail when these controlling or master nerves begin to fail. How Dr. Shoop's Restorative goes directly to these failing nerves and rebuilds, and restores the lost tone and power. I can assure you—If it is within the power of medicine to do so. My best effort is surely worth your simple request. So write now, while it is fresh to mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
